Re: Last Date for Submission of Applications for Vacancies

Dear Candidates,

Due to the ongoing lockdown and curfew imposed in the country and the state to prevent the spread of COVID-19, the last date for submission of applications for vacancies in the Departments of Fishery Science and Economics, which was 27 March 2020, has had to be rescheduled.

As soon as the situation becomes more favourable for all of us and following fresh orders and notifications from the governments in this regard, we will set a new date for the submission of applications which will be published on the website promptly and through other media as well.

Your patience and cooperation in this matter is appreciated.

Sincerely,

Rev. Br. Dr. Albert L. Dkhar,
Principal
