

Fundraising Event by Inland Fisheries Club Promotes Teamwork and Creativity

Date of Event: 28th October 2025

Venue: College Basketball Court

The Inland Fisheries Club of the Fishery Science Department successfully organized a vibrant fundraising event on 28th October 2025 at the college basketball court. The event aimed to promote teamwork, creativity, and active participation among students, while also raising funds for club activities. The campus came alive with colorful stalls, music, and laughter as students and faculty gathered to enjoy the day. A range of food and beverage stalls offered delicious treats such as Alumuri, Phan and chips, potato with fermented sauce, Pani Puri, Do'o Kappa (Garo indigenous food), fruit salad, and mojitos.

Adding to the fun, the Games and Fun Zone featured engaging activities like Hook the Bottle, Football Tyre Toss, Ping Tac Toe, and Basketball Shooting, which drew enthusiastic participation from attendees.

The event not only provided entertainment but also strengthened the sense of community within the college. Overall, it was a day filled with excitement, creativity, and collaboration, reflecting the spirit and energy of the students.
