INTERESTS

OBJECTIVE

Currently a PhD Research Scholar at NEHU with a Master's degree in Philosophy from NEHU. I wish to bring my knowledge skills and commitment to excellence to your Institute's innovative environment.

As a student of Philosophy, I've become proficient with certain ideologies and the necessary knowledge of research and teaching and is efficient at writing, communication, counselling and explanation.

I look forward to work in an environment that will accentuate my abilities and allow me the opportunity to nurture the growth of individuals.
