

During the year 2022, the Mass Media Department updated its Wi-Fi infrastructure by purchasing three high speed routers (Model: Netgear AX1800). These high bandwidth and high range Wi-Fi routers allowed for receiving high speed internet throughout the department in the Media- Annex building. These routers are connected to the Department's Fiber Broadband Internet Access Point located at The Northeast India AV Archive Office.

The Wifi-Routers have been placed in the following location.

1. Near Hall 44
