to me, kelvincinemafestival2023

Dear Cherry K. Kharshiing,

We hope this letter finds you well.

Following your discussion with Dominic Sangma, Artistic Director, Kelvin Cinema Festival of Films, we are writing to extend a heartfelt invitation to you for the second edition of the film festival, scheduled to take place in Shillong, Meghalaya in November 2023.

This festival holds great significance as it marks the culmination of (Late) Jeevan Ram Goenka's profound involvement in the regional film industry. His legacy, now carried forward by Shankar Lall Goenka and his family, along with the support of Fraternity Art Cine Entertainment Shillong (FACES), is poised to celebrate, inspire, and showcase remarkable films.

In light of your remarkable contributions and expertise in the film industry, we cordially invite you to join us as a 'Member of the Jury' for this momentous occasion. Your presence and guidance would be an immense honour for the festival, as we seek to bring about a paradigm shift in the regional film fraternity.

Your discerning judgment and insights would play a pivotal role in recognizing and appreciating outstanding cinematic works during the Kelvin Cinema Festival of Films. Your esteemed participation would not only elevate the event but also encourage filmmakers and artists to pursue excellence in their craft.

We warmly welcome you to be a part of this extraordinary cinematic journey and share your wisdom with us. Should you have any queries or suggestions, please do not hesitate to get in touch with us.

Looking forward to your positive response.

Warm regards,

Shankar Lall Goenka  
Festival Director
