1/4/2024	As a student of St. Anthony's College we strongly urge the reopening of our gym. Exercise is vital for physical and mental wellbeing especially during these challenging time with proper safety measures in place. We can ensure a safe environment for all. Your consideration of this request is greatly appreciated	<i>Due to space constraints, the gym will be set up after completion of the Bacchirello Block.</i>
1/4/2024	I would suggest that the implementation of uniform should be restricted, since I have to go for part time job and it will be very hectic to cope up with everything	<i>In this matter the college has complied with the order of the Sponsoring Body</i>
1/4/2024	Requesting the teachers to inform us when they can't take classes beforehand in our WhatsApp group if possible. Sometimes we have to wait for the whole only for us to know that there are no classes	<i>The Principal will take up the matter with the teachers concerned.</i>
1/4/2024	Please do not implement the uniform because I have to go for work after college and there also we have uniform so it's not easy for me to change uniform every time	<i>This issue has already been addressed.</i>
1/4/2024	Why not add sign language classes?	<i>The department of value Education will look into this.</i>
