

## **Report on the Guest Lecture on "CHATGPT and the Question of Ethics"**

### **Organised by:**

Ethics Committee, St. Anthony's College, Shillong

### **Date and Time:**

13th October 2023, 3:15 PM

### **Venue:**

Conference Hall, St. Anthony's College

### **Resource Person:**

#### **Dr. Basav Roychoudhury**

Professor, Information Systems & Analytics  
Indian Institute of Management, Shillong

The Ethics Committee of St. Anthony's College, Shillong, organised a guest lecture on the subject of "CHATGPT and the Question of Ethics." The lecture was held on 13th October 2023, at 3:15 PM in the college's Conference Hall. The session was attended by 5th-semester students, faculty members, and members of the college management.

### **About the Resource Person**

Dr. Basav Roychoudhury holds a Ph.D. in Computer Science and Engineering from Tezpur University. He is an esteemed professor with expertise in mobile computing, including protocols and security, enterprise systems, and e-governance. He is passionate about business analytics and data modelling and has developed and delivered several courses, including:

- Business Intelligence & Analytics
- Business Modelling using Spreadsheets
- Data Mining and Data Warehousing
- Enterprise Resource Planning (ERP)
- IT Tools for Managers
- Management Information Systems
- Spreadsheet Macros for Modelling

### **Outcome of the Lecture**

Dr. Roychoudhury engaged the audience on the complex ethical considerations surrounding AI, focusing on ChatGPT as a case study. His presentation covered the rapid growth and significance of AI in contemporary society, the numerous benefits of AI tools like ChatGPT, and the potential risks and ethical concerns associated with their use. The session provided students and faculty with insights into both the promising and cautionary aspects of AI development and deployment.

Students and faculty left the session with an enriched understanding of the ethical landscape surrounding AI technologies, along with awareness of the implications of adopting such tools in various sectors.

This report provides an overview of the insightful session on the ethical aspects of AI, marking a successful and enlightening event organized by the Ethics Committee.

Banwan Shaphrang Lyngdoh,  
Associate Professor, Dept of History and  
Co-ordinator, Ethics Committee,  
St. Anthony's College, Shillong
