(A Don Bosco Institution)

SHILLONG 793 001

MEGHALAYA - INDIA

NAAC Re-Accredited with 'A'

College with Potential for Excellence (awarded by UGC)

---

## E) Beyond the Campus environmental promotion activities

The College, through the National Service Scheme (NSS) St. Anthony's College unit and the Botany Department, have always encouraged the stakeholders of the college to undertake activities like planting of trees and cleaning drives in and around the city of Shillong. In this regard, the college took part in the celebration of the annual one-week tree planting festival, '**Van Mahotsav**', whereby students were encouraged to plant tree saplings in different locations of Shillong.

Below are some pictures of students planting tree sapling and helping in the cleaning drive.

National Service Scheme  
St. Anthony's College
