**Subject: Seeking your kind advice for collaboration for molecular work**

Sir,

In connection with ZSI assigned project on the "Status Survey of *Raorchestes shillongensis* – a Critically Endangered frog Endemic to Meghalaya" (Approved Annual Plan of Research Work, 2018-2019), we are interested in doing molecular work on the above mentioned species to segregate this species from other cryptic bush frogs of Meghalaya. As our Regional Centre does not have a molecular lab, we are looking for collaboration with the Department of Biotechnology of your college for the said molecular work. In this regard, your kind advice is sought for any collaborative work we could do. Any future publication resulting out of such collaborative work will be co-authored and your college will be duly acknowledged.

Thanking you in anticipation,

Yours faithfully,

Dear Saptashi Bhowmik,

We would like to congratulate you for attending the Young Leaders' Summit from October 20<sup>th</sup> to November 1<sup>st</sup>, 2020 as a delegate, conducted at IIM Bangalore's Vista 2020.

Your thoughtful application convinced us that you have the requisite motivation, intellectual energy, and talent to make you a treasured delegate at the summit. This year, more than 6,300 undergraduate and graduate students applied for the summit of which only 340 were selected to attend the same. It was exceedingly tough for us to select individuals from a brilliant pool of applicants. While we would have loved to have each and every applicant, we could admit only a limited number of delegates, you being one of them. In making our decision, we took into consideration not only the learning outcomes you would be subjected to, but also the collective capabilities of the cohort that represent an opportunity for cross-pollination of ideas and knowledge.

Young Leaders' Summit, in its 7<sup>th</sup> year, has blossomed to represent a golden opportunity for the prospective MBA students to gain first-hand experience of life at IIM Bangalore. We had created such a session to ensure the delegates experience a sense of self-satisfaction. The **Speaker session** line-up for this year's summit consisted of Dr. Kiran Bedi, Dr. Raghuram Rajan, Dr. Viral Acharya, Gurusel Srinivasan, Mr. Narayana Murthy, Mr. Shiv Khanna, Mr. Vivek Chandra and Viswanathan Anand. This line-up was complemented with 3 **Panel discussions** with prominent leaders from industry such as Mr. Ramesh Datta, Ms. Nana Lal Kishor and Mr. Ajay Purnani among others.

We conducted exclusive interactive sessions for you at VLS including **Faculty Speakers sessions** with Prof. S. Shankar and Prof. Rakesh Gothwal of IIM Bangalore. The **STRATUP Business Simulation** by our simulation partner **Biz Games** indicated the entrepreneurial learnings and business understanding by a hands-on participation. The **Case Study workshop** conducted by Mr. Mayuresh Patil, co-author of *Case Inquiries Global* introduced case-based pedagogy to the delegates followed by a **Case Study competition** to enable further learning. The simulation game and case study competition saw participation from 83 teams including you and your team. Towards the end, the **Domain specific Fireside Chat** provided an opportunity for you to have an understanding of the domain of your choice by interacting with MBA students at IIM Bangalore.

Once again, Team Vista 2020 extends our congratulations and gratitude for attending the Young Leaders' Summit at IIM Bangalore's Annual Business Fest VISTA 2020.

Sincerely,

  
Sasi Kumar V, Secretary  
Forum for Industrial Interaction
