Subject: Seeking your kind advice for collaboration for molecular work

Sir,

In connection with ZSI assigned project on the "Status Survey of *Raorchestes shillongensis* – a Critically Endangered frog Endemic to Meghalaya" (Approved Annual Plan of Research Work, 2018-2019), we are interested in doing molecular work on the above mentioned species to segregate this species from other cryptic bush frogs of Meghalaya. As our Regional Centre does not have a molecular lab, we are looking for collaboration with the Department of Biotechnology of your college for the said molecular work. In this regard, your kind advice is sought for any collaborative work we could do. Any future publication resulting out of such collaborative work will be co-authored and your college will be duly acknowledged.

Thanking you in anticipation,

Yours faithfully,

Sub: Consent for collaboration on molecular work

Dear Madam,

With reference to your letter no. 4-1/2018-19/Tech/598 dated 10th September, 2018, I am happy to give my consent for the molecular work with your institution on the assigned project, "Status Survey of *Raorchestes shillongensis* – a Critically Endangered frog Endemic to Meghalaya" and to be carried out in our Biotechnology Department. Dr. M.A. Laskar, Associate Professor and Head of the Department will coordinate the collaborative molecular work. Any significant findings out of the proposed collaboration will be jointly published by both the institutions. We will communicate to you the reagents that have to be provided by your Regional Centre for the said work.

CERTIFICATE

This is to certify that Ms. Ananya Gogoi of the St. Anthony's College, Shilong underwent a fortnight-long internship under the guidance of Dr. Savinder Singh during the month of January, 2020. During this period, she learned various techniques in plant Molecular Biology including Plant DNA Extraction, PCR, Agarose Gel Electrophoresis and Plant Tissue Culture etc. She behaved very well with all the lab members and was liked by all. I found her to be a good learner.

I wish her all success in life.

Dear Saptashi Bhowmik,

We would like to congratulate you for attending the Young Leaders' Summit from October 20th to November 1st, 2020 as a delegate, conducted at IIM Bangalore's Vista 2020.

Your thoughtful application convinced us that you have the requisite motivation, intellectual energy, and talent to make you a treasured delegate at the summit. This year, more than 6,500 undergraduate and graduate students applied for the summit of which only 340 were selected to attend the same. It was exceedingly tough for us to select individuals from a brilliant pool of applicants. While we would have loved to have each and every applicant, we could admit only a limited number of delegates, you being one of them. In making our decision, we took into consideration not only the learning outcomes you would be subjected to, but also the collective capabilities of the cohort that represent an opportunity for cross-pollination of ideas and knowledge.

Young Leaders' Summit, in its 7th year, has blossomed to represent a golden opportunity for the prospective MBA students to gain first-hand experience of life at IIM Bangalore. We had created such a session to ensure the delegates experience a sense of self-satisfaction. The **Speaker session** line-up for this year's summit consisted of Dr. Kiran Bedi, Dr. Raghuram Rajan, Dr. Viral Acharya, Gursukh Sethi, Sri Ravi Shankar, Mr. Narayana Murthy, Mr. Shiv Khosla, Mr. Vivek Chandra and Vinodanathan Anand. This line-up was complemented with 3 **Panel discussions** with prominent leaders from industry such as Mr. Ramesh Datta, Ms. Nima Lal Kishor and Mr. Ajay Farsal among others.

We conducted exclusive interactive sessions for you at VLS including **Faculty Speakers sessions** with Prof. S. Shankar and Prof. Rakesh Gothwal of IIM Bangalore. The **STRATUP Business Simulation** by our simulation partner **Biz Games** inculcated the entrepreneurial learnings and business understanding by a hands-on participation. The **Case Study workshop** conducted by Mr. Mayuresh Patole, co-author of *Case Inquiries* Global, introduced case-based pedagogy to the delegates followed by a **Case Study competition** to enable further learning. The simulation game and case study competition saw participation from 83 teams including you and your team. Towards the end, the **Domain specific Fireside Chat** provided an opportunity for you to have an understanding of the domain of your choice by interacting with MBA students at IIM Bangalore.

Once again, Team Vista 2020 extends our congratulations and gratitude for attending the Young Leaders' Summit at IIM Bangalore's Annual Business Fest VISTA 2020.

Sincerely,

Sasi Kumar V. Veluchamy

Dear Sir,

In continuation to our correspondences referred to above, I am happy to forward the project proposal and the memorandum of agreement (MOU) pertaining to the network project titled 'Species and stock validation of mahseer species of genus Tor and Neolissochilus from central and eastern Himalayan region of India'. I am given to understand that the project will be formally launched on-line on 28.07.2020. Dr. Rupak Nath and Dr. M.A. Laskar of our college will participate in programme. As already agreed both will be in-charge of the part of the project entrusted to St. Anthony's College, Shillong.

Budget grants for the project may transferred to our bank account as under:

Name of Bank and Branch: Central Bank of India, St. Anthony's College Branch

MEMORANDUM OF UNDERSTANDING BETWEEN ICAR-DIRECTORATE OF COLDWATER FISHERIES RESEARCH, BHIMTAL and DEPARTMENT OF FISHERIES AND BIOTECHNOLOGY, ST. ANTHONY'S COLLEGE, SHILLONG, MEGHALAYA in respect of the project 'Species and stock validation of mahseer species of genus Tor and Neolissochilus from central and eastern Himalayan region of India'.

ICAR-Directorate of Coldwater Fisheries Research and Department of Zoology, Manipur University, Imphal, Manipur (implementing agency) agrees to cooperate in carrying out all research and other activities approved under the said project under NEH component of the ICAR-DCFR budget, sanctioned by ICAR, New Delhi and communicated from time to time starting from August, 2020 under the supervision and leadership of Dr. Debajit Sarma, Director (Acting); Dr. Deepjyoti Baruah, Senior Scientist; Dr. Neeta Shukla, Scientist, and Dr. R. S. Haldar, Nodal Officer, NEH Activity, ICAR- DCFR, the operating center core group conveners designated for these activities and Dr. Rupak Nath, Asstt. Professor, Deptt. of Fishery Science and Dr. M.A. Laskar, Associate Professor, Deptt. of Biotechnology, St. Anthony's College, Shillong, Meghalaya of the collaborative group in the Network Project on 'Mahseer'.

In order to achieve the objectives set forth in the project within the stipulated time limit (For three years 2020 to 2023) of the project it is agreed that ICAR-DCFR will provide technical as well as financial assistance for each activity under the project proposed subject to any further approval, if necessary, of the competent authority.

The implementing institution (Department of Fisheries and Biotechnology, St. Anthony's College, Shillong, Meghalaya) would:

- a) Implement the project as per the technical guidelines prescribed by the ICAR-DCFR, Bhimtal.
b) Provide facilities required for the project.
c) Allow the project staff to exchange experimental material, literature, information etc. between ICAR-DCFR and Department of Fisheries and Biotechnology, St. Anthony's College, Shillong, Meghalaya.
d) Use the Funds provided under the project exclusively for the project work.
e) Maintain records and accounts adequate to reflect the operational resources and expenditure in respect of the project in accordance with sound accounting practices.
f) Render accounts to the lead institution (ICAR-DCFR) as per the prescribed format within specified time limit.
g) Furnish regularly on time reports as per the reporting schedule prescribed.
h) Keep the project funds in a bank account with separate cashbook to be operated as per the existing instruction of the ICAR/Govt of India.
i) Send audited statement of expenditure as per the prescribed practice along with audit utilization certificate immediately after completion of the work.

Principal
St. Anthony's College
Shillong - 793001

ICAR-DCFR and the implementing institution (Department of Fisheries and Biotechnology, St. Anthony's College, Shillong, Meghalaya) further agree to the following:

ICAR-DCFR shall not be responsible for absorption of any staff deployed for the project after completion/termination of the project/scheme.

- a) Any change of co-operating Center Core Group convener or research programmer or officer-in-charge of the project activities other than research shall be considered in exceptional cases where there is sufficient justification acceptable to the ICAR-DCFR.
b) The centre's core group may attend all review meetings and workshops and present their reports/data for discussion.
c) Implementing agencies will allow monitoring of the progress of individual project activities by funding agency ICAR-DCFR and provide all assistance including information required.
d) The audited annual statement of expenditure shall be submitted within given time to the funding agency ICAR-DCFR.
e) Financial reporting and its management would be as per the existing guidelines/ instructions of ICAR/Govt. of India.
f) The experimental material built up shall be available for research in the project center ICAR-DCFR.
g) Procurement guidelines of the ICAR/Govt. of India would be applicable to the project and need be followed.
h) In respect to the agreement made upon by ICAR-DCFR, Bhimtal and the Implementing agency, Department of Fisheries and Biotechnology, St. Anthony's College, Shillong, Meghalaya in case of dispute, the verdict given by the competent authority of the funding agency will be final and binding.

A copy of the Schedule of Terms and Condition governing the grant is attached. This Memorandum of Understanding shall become effective from August, 2020 and shall continue till the date of termination of the project activities.
