Shillong

1.Event name- International Literacy Day

2. Date and time- 9th September, 2024, 2:00 PM

3. Location- St. Anthony's College, Shillong

4. Brief Description of the event:- The objective of the program is to promote linguistic diversity and multilingualism in education and raise awareness about the importance of mother tongue-based education. International Literacy Day aims to mobilize global attention and action towards improving literacy for all, recognizing its pivotal role in empowering individuals and fostering sustainable development. It also aims to foster inclusive and equitable education for all..

5. Outcomes- Through this programme the students learn the role of governments, non-governmental organizations and civil societies in enhancing literacy rates. The presentation` emphasized the importance of multilingual education in promoting literacy, mutual understanding , and peace in diverse societies. Her speech inspired the audience to take action to promote literacy and education. It provided valuable insights and strategies for promoting literacy and addressing literacy challenges. It highlights the cognitive, pedagogical, and socio-economic benefits of adopting a first language-based, multilingual approach to literacy development and education. It also encouraged collaboration and collective action to address literacy challenges. The Resource Person's Speech was a resounding success, providing a compelling case for the importance of literacy in promoting education, economic growth and social development.

1. Programme name- Programme Outcomes (POs) And Course Outcomes (COs)

2. Date and time- 4th October, 2024, 10:00 AM

3. Location- St. Anthony's College, Shillong

4. Brief Description of the event:- The objectives of this orientation are to make each student aware the importance of programme outcomes and also the course outcomes. With the upcoming of the NEP 2020, they want to sensitize each student so that, at least they know what is Programme outcomes and course outcomes.

5. Outcomes- The student learnt what they receive at the end of the course and what they are going to do at the end of the course and they are able to do and carry what they had receive. Student have so much to learn as knowledge keeps on going, so to do that they need to know what they are acquiring or what they are receive it can benefit them or not. So programme outcomes and course outcomes are challenging students to know what they are doing and what they are achieved and what are the benefit, how they will learn and how they will apply that knowledge.
