# ONLINE YOUTH RETREAT

Every year St. Anthony's College Shillong organises a three-day Youth Retreat for all the youth of the city. The Youth Retreat over the years is an occasion for the young to deepen their faith journey through a personal God encounter. Due to the prevailing pandemic this year, the retreat was conducted Online over Zoom and YouTube streaming live on 7 th and 8 th November 2020. The Jesus Youth team of the college helped the retreat by leading the attendees to a time of praise and worship and in sharing testimonies. The retreat was indeed a great time of prayer, healing and feeling God's continued presence and protection at a time most needed like the pandemic
