# **VISION AND MISSION**

## **VISION**

*Providing holistic and quality education within the reach of all*

## **MISSION**

*To mould intellectually competent, morally upright, socially committed and spiritually inspired persons capable of building a more human social order within the context of the nation's plurality of religions and diversity of cultures*

Guided by the religious and educational philosophy of St. John Bosco, and born of the vision of a Don Bosco Father, Fr. Joseph Bacchiarello, St. Anthony's College was founded in 1934 with the avowed mission of 'bringing college education within the reach of common man and woman'. Ever since, the College has been nurtured by the Salesians of Don Bosco to be in the vanguard of higher education in North-East India.

We emphasize life-oriented and value-based teaching and nurture a culture of solidarity. The educators and the educated join hands to mould intellectually competent, morally upright, socially committed and spiritually inspired persons capable of building a more human social order within the context of the nation's plurality of religions and diversity of cultures..

We aim to equip our students for life, making them not only job-seekers, but also job-creators. Hence, in keeping with the developments in educational strategies worldwide, we have pioneered courses in application-oriented subjects to answer to the needs of the community that we serve and to give our graduates a competitive edge in the employment market.

Teaching, for us here at the College, is a lifetime commitment, a passion, a vocation and a profession, rather than a job. Our Teachers are continually engaged in equipping themselves so as to stay abreast of the latest developments in their own fields.

Striving for excellence is our way of life. Our motto tells it all "Ever More Better Ever".

## ***Message from the Principal***

The world has been hit by the pandemic and in times like this when the whole world is living in uncertainty, I am very proud to see that the Anthonians have come out victorious by staying safe and following protocols but most importantly by making the most out of this lockdown period. Learning is a life-long process and it never stops. This has been proved by the endeavours of the faculties and students of the college. The eagerness of the faculties to gain and impart knowledge can be seen in the various activities organised by the departments through the online mode and their participations in various national and international webinars and workshops online.

The departments of the college has organised online lectures, webinars and workshops for the welfare of the students. In the midst of all the chaos in the world the faculties have been able to reach out to their students and organise different events for them so that they do not remain idle and have a resourceful life during the Lockdown period.

I also want to congratulate the Documentation Cell for being able to keep records of the events and activities during the year. I know it must have been a tremendous task to get information and reports of all the events as physical communication is not possible and the only way of communication would be through phone, emails and social media. You have proved that there is unity among the members of the staff as documentation has been able to happen smoothly for the given year.

I only want to wish everyone the best and stay safe.

Thank you

(Br. (Dr). Albert L. Dkhar)

Principal

St. Anthony's College, Shillong

## ***Year in Review***

The year had started with organisation of seminars and workshops and it looked like a promising year. But the world was hit by the pandemic COVID-19 and it seemed impossible to carry out the normal way of life again. Every kind of institution was suffering due to a standstill in the progression and of all the institutions, the worst sufferers was the educational institutions. The college on the first few weeks of the global lockdown found it head breaking to come up with a plan to continue with its activities but soon enough with the help of the faculty members and the management the college was able to organise several online webinars, workshops and extra-curricular activities such as singing competition, poster competitions and so on.

Though the faculty and the students were getting used to the new way of teaching learning, the year proved to be very fruitful indeed. The college, the faculty and the students of college made the most out of the lockdown period by publishing papers, books and attending many innovative webinars and workshops both national and international. The year saw an immense increase in the participation of the faculties and students in the different webinars and workshops as compared to the other years. This only goes to show that the stakeholders of the college are always ready to learn and equip themselves with more knowledge even at trying times such as the pandemic.

We hope that on such trying times we deliver our best to our students and the society. Our goals as educators have been put on trial during this pandemic and we are proud to say that we have done our best to provide holistic education to our students with limited resources and limited technical knowledge.

Stay safe.

Prof. Shiviraj Bhardwaj (Commerce) attended the Refresher Course on Globalisation and Emerging Socio-Economic Challenges (Multi-Disciplinary) online conducted by UGC- Human Resource Development Centre, University of Rajasthan Jaipur from 5 to 17 October 2020. Prof. Freddie M. Majaw (Mass Media) participated in a “National Webinar on Academic and Research Integrity” organised by Naharkatiya College, Naharkalia Assam and in collaboration with Library and Information Science Professionals Association (LISPA), Assam. Prof. Anita Pde (English) participated in an International Webinar Series from on 20 and 21 May 2020 organised by Cambridge Online Experience, Asia.

Prof. Dorismelincy Byrsat (Khasi), Prof. Anita Pde (English), Prof. Evashisha Wanniang (Fishery Science), Prof. Icydora Kharkongor (Chemistry), Prof. Devajyoti Bokolial (Botany) and Prof. Nisha Chettri (Geology) participated in an online webinar from 5 to 7 June 2020 organised by Learning Links. Dr. Herbert Lyngdoh (Biochemistry) attended two day National Online Workshop on Teaching –Learning Evaluation in collaboration with Epignosis (USA) – Edifyers (India) conducted by Xavier Board on 14 and 15 May 2020. Prof. Farlando Diengdoh (Chemistry) participated in the Webinar on “Online Faculty Development Programme on Learning Management System (MOODLE)” organised by Sacred Heart College, Tirupattur, Tamil Nadu in association with AIACHE and DBHEI held from 8 to 10 June 2020.

Prof. Madhurjya Palit Borah (Music) participated in an online course on “C and C++ course content from IIT Bombay – Spoken Tutorial and Integrated Intelligent Research (IIR)” held on 14 June 2020. Prof. Darihun Kharnongrum (Education) and Prof. Rituparna Acharjee (Statistics) participated in an online National Workshop on “ Online Teaching and Learning-Evaluation” organised by Xavier Board of Higher Education in India, Bangalore held on 30 April to 1 May 2020. Prof. Inda Mary Basaiawmoit (Biochemistry) and Prof. Clara E. Sawian (Biochemistry) participated in 7 day E-FDP Programme on Importance of Cross-Disciplinary Research in the Post COVID-19 Scenario: Social perspectives organised by Department of Social Work (RSHSS), Royal Global University, Guwahati held from 16 to 23 June 2020.

Prof. Amina Sultana (Computer Science) participated in an online course on “Cyber security and its Ten Domains” organised by University System of Georgia and offered through Coursera held from 13 April to 1 June 2020. Prof. Aicydalyne Snaitang (Chemistry) and Prof.

Siewdorlang Diamai (Chemistry) participated in a National Webinar in Chemistry organised by the Department of Chemistry, Don Bosco College, Tura held on 15 June 2020. Prof. Jeremy Nelson Syiem (Zoology) participated in a Webinar on “Brainstorming Session Teaching Collections based on General Entomology in a remote setting” organised by the Entomological Society of America. Dr. Saibadaiahun Nongrum (Biochemistry) participated in a two day online National Conference on Life Sciences Challenges and Opportunities COVID-19 Pandemic organised by St. Aloysius College (Autonomous) Jabalpur held from 1 to 2 June 2020. Prof. Probidita Roychoudhury (Computer Science) participated in a webinar entitled “Network Security in the Cloud to protect user and devices- No matter where they are” organised by the Government Technologies on 11 June 2020.

Prof. Amanda Syiem (Commerce) participated in an “International Webinar on Open Doors! Re- skilling Up-Skilling for Future Industry and Business” organised by Department of Commerce St. Aloysius College (Autonomous) in collaboration with Miles Education held on 5 and 6 June 2020. Prof. Medari Janai Tham (Computer Science) participated in Online Course on Structuring Machine Learning Projects organised by Coursera which was held from 28 May to 8 June. Dr. Damanbha Lyngdoh (Zoology) participated in the Food and Agricultural Operations (FAO) of the United Nations on “Rinderpest Disease” organised by FAO e-learning Academy, FAO in collaboration with the Defense Threat Reduction Agency, United States Government and The World Organisation for Animal Health (OIE) which was held on 17 June 2020. Dr. Alpana Chakraborty (Philosophy) attended a one day symposium on the topic “ Philosophy and the Calling of Global Responsibility New Initiatives in Justice, Ecology and Peace”, organised by the Department of Philosophy, Lady Keane College, Shillong under the Banner of Indian Philosophical Congress on 6 March 2020.

The IQAC, St. Anthony’s College and The Department of Mass Media organised a Five Day Online Faculty Development Programme (FDP) on the topic “Online Pedagogical Tools and Techniques and Blended Learning” from 8 to 12 September 2020. Prof. S.M. Sungoh, Department of Education, North Eastern Hill University (NEHU) delivered the keynote address on the relevant topic: “Role of Teachers in the Online Learning Environment and Use and Effectiveness of Technology in the Learning Process”. Dr. Q. Kharbuli, Associate Professor, Human Resource Development Centre, NEHU shared her thoughts on the challenges of teachers and students amidst the pandemic, and attempts to be made to

overcome them. The Resource Persons were Mr. Farlando Diengdoh, Asst. Professor, Deptt. of Chemistry; Dr. Etawanda Saiborne, Associate Professor, Deptt. of Mass Media, Ms. Rajani K. Chhetri, Asst. Professor, Deptt. of Mass Media, Mr. Freddie M. Majaw, Asst. Professor, Deptt. of Mass Media, Dr. Probidita Roychoudhary, Asst. Professor, Deptt. of Computer Science, Ms. Polynia V. Kharbuli, Asst. Professor, Deptt. of Computer Science, Mr. Kesterlee L Syiemiong, Asst. Professor, Deptt. of Computer Science

The Department of Physics commemorated the National Science Day in the college premises by hosting a Science Exhibition cum Poster Competition and conducting a Science Popular Talks on 28 and 29 February 2020. Prof. (Dr) R. N. Bhuyan, Head of Deptt. Fishery Science, St. Anthony's College, graced the Inaugural Programme as Chief Guest. The invited speakers, Shri. P.L.N Raju, Director NESAC deliberated on the subject, "Role of Indian Space Programme for Nation Building and Shri Nilay Nishant, Scientist 'D' offered insights on "Advances on Remote Sensing & GIS".

### **Life Transformation Courses**

The Department of Value Education brought out a video- "With you All the way" to reach out to all the Anthonians assuring them of the department and the college's presence in times of need. They uploaded the video on YouTube on 7<sup>th</sup> April, 2020, it was watched by 869 views (Mostly Students) as on 16<sup>th</sup> May 2020. ## ***Minnova Club***

Minnova, the student’s club of the Department of Business Administration conducted their annual event ‘corporate selling’ on the 21<sup>st</sup> February 2020. The event was held on the lawns of the college campus, where they had set up stalls for food and games. This annual event enables students to test their skills in selling and promoting their products. It was successfully conducted.

On the final day of the college week, 14<sup>th</sup> March, 2020, the club conducted another activity which was the ‘Roses and Chocolate day’. This venture is also another one of their annual event.

The students conduct these annual events to raise funds for their Flag ship Social Intervention Programme “Hands of Hope” which has been active since 2010-11.

## **Disclaimer**

The Documentation Cell has taken all pains in ensuring that the reports submitted to it have been properly studied and carefully assimilated in the process of compiling the Annual Report. The Cell has incorporated with all diligence, the facts and figures, as received by it from the Departments to ensure that there are no errors or discrepancies in any representation of such facts and figures.

The Cell, after much study and analysis of the reports and the information received by it, has decided to include only those events which are directly beneficial to the students community and to the teaching learning process for the sake of coherence and brevity and to avoid an unwieldy and cumbersome representation of the events and activities of the College. Other events which have become a common feature of the College's yearly programme or such academic exercises which the departments have been conducting year after year may not have been included.

There are possibilities of repetition of events either attended by faculty or organised by a Department. Such repetition has been maintained to reflect variety in participation and in interest of the faculty which broadens to include other related subjects as well. There could also be instances where the personal achievements of a faculty may not have been reflected in full as submitted in report; the Cell expresses its apologies in advance for such a lapse. There may also be instances of typing mistakes in words or figures. The Cell expresses its apologies and urges it to be considered as human error.
